 Serve The City (STC) is short for Serve The City Resource Group. We are a “group” of congregations and ministries that have pledged to bring our “resources” together in order to more effectively “serve our cities.” All of these ministries are connected in some way to STC. You might remember us for such things as Healing The Heartland Festival, Neighbors & Friends BBQ, Voices Of Hope Convoy of Hope, SOS in the schools, Operation Serve...and our response to the Flood of 2008. These are a partial list of how we have demonstrated the love of Christ to our communities. Any of the tables today can direct you to the right person for more information.
