

Faith Day at The Kernel's

July 31, 2011

Hosted by: **Serve The City**

From carrying the flag on the field!

To...six brave volunteers attempting to kick footballs through goal posts composed of baseball bats held up by Matt Thede, Bill Hoefle and Dan Dickel to....great golf ball hitting by Bill Hoefle including an exploding golf ball. The Kernel's in Center Field were watching Bill—very carefully!
