Relational Evangelism Training Testimonies  
Dallas Anderson  
September 2007 and April 2008

We are very blessed to serve alongside Dallas Anderson as we seek to bring the genuine life of Jesus Christ to our community. The following 54 quotes tell *less than half* the story of what happened through the authentic teaching of Dallas concerning what many of us now call the *Relational Prayer, Care, Share lifestyle*. Dallas exposes how evangelism has wrongly become identified with “prayer this prayer” and not with the normal lifestyle of a follower of Jesus Christ. We are always involved with helping someone take one step closer to acknowledging Jesus as their Lord during our day to day lives.

I highly recommend our friend and brother Dallas Anderson to any community! Please – call me with any questions you might have.

Charles P. Daugherty Sr., Pastor – Executive Director; Serve The City Resource Group Inc.
